Pamela's

Epistle

Dear Friends:

Over the past two months that I have been pastor at **Westminster**, it has become clear to me that, first, we need more people to believe in Christ and, second, that we need new members to attend our church.

How do we do this? There is only one way an unbeliever can have a chance at knowing Jesus and a chance at heaven. And that is if we, as believers, step up and become spiritual rescuers of the lost people in our world. But many of us are silent about what we know about Jesus—because of fear, because of feelings of inadequacy, or because we just don't care.

As **Westminster's** congregation and as Christians, I believe we want and need to be motivated and equipped to become God's rescuers. God has shown us an amazingly simple answer in His "Operation Andrew" strategy—one believer taking responsibility for one unbeliever.

Operation Andrew is a simple and dynamic ministry that will provide a prayer base for evangelism in this church. Operation Andrew is

a plan by which we as Christians pray for individuals we know who need Christ, cultivate friendships with them, invite them to our church events and share the Gospel with them.

Operation Andrew is an outreach program that I need you to participate in. I need your help to lead people to Christ and to our church. In the weeks to come, there will be opportunities to meet with me and be trained to use Operation Andrew.

God is calling **all** of us as believers to join the rescue effort, and it is our responsibility to become equipped to be spiritual rescuers. So, please come to the church on **Thursday, April 8 at 7:00 p.m.** to meet together, to pray and seek God's guidance as we begin this program. I cannot stress enough how much you are needed to be part of what God is doing and will do in the weeks and months to come.

Sincerely,

Pastor Pamela
